SAFETY UPDATES - MONTHLY BULLETINS

Speedway Australia releases monthly Safety Bulletins and this season we will be posting these on Our Website at www.qldoutlawsedans.com shortly after we receive them. We now have a "page" on Our Site dedicated to Speedway Australia where we will list these bulletins and other Speedway Australia news and notices as we receive them.

RACE CALENDER SEASON 2014-15

After the huge success of Easter in the Country last season, the Roma International Speedway have invited us back for Easter this year and we will race, as usual on Easter Saturday 4th of April 2015. Furthermore they have also invited us to several other rounds this season. On the race calender you will see a couple of "Invitational" rounds - Let us know if you would be interested in these rounds so that we can get some idea of numbers.

After Discussion with both Lockyer Valley Speedway & Roma International Speedway, we have come up with the following rounds for this season!

All rounds at Lockyer Valley Speedway in Gatton will be point scoring rounds and Easter in the Country in Roma will be a Double Points round.

All other rounds at Roma are by invitation and will depend on the number of competitors available to race! However these particular rounds will not carry any championship points!!

Discussions continue with other Venues both here in Queensland and in Northern N.S.W. for rounds in November and December 2014 and February and June 2015.

SOME GENERAL NEWS

After some rather lean seasons over the last few years, things are finally starting to show improvement. With the continued support of both Lockyer Valley Speedway and Roma International Speedway we have managed to put together a better looking list of racing events this season with even better to come in Season 2015-16.

This season sees us with 8 possible rounds over 2 venues and next season we have already locked in at least 8 rounds over 2 venues with discussions underway with other venues.

We have been in contact with Speedway Australia and we will be taking part in some new and exciting stuff they are planning for next season as well. Can't say much more about that at present other than to say it will be great for speedway in general and awesome for our club in particular. But you will have to keep reading our newsletters to find out more once more is made public.

We have been having discussions with a revamped track here in Queensland that has a new and exciting rebirth coming up and we have been invited to run there as well.

Talk amongst our members and friends gives me a good indication of a steady increase in our car numbers over the next few months and discussions with speedway magazines have been promising for some advertising and editorials to be published over the coming months.

Development of our Qld Outlaw SuperSix Division is progressing nicely with the final rules and specs almost ready for publication and they will be included in the years print of our club rule books due to be out for our meet in November.

Our sponsorship packs are currently being put together and a major push for sponsorships at multiple levels will shortly begin. So if you have any ideas or leads as to possible sponsors for the club let me know here at the club office.

Drivers profile updates have been dragging the chain a bit lately due to a few technical hitches. We have been in contact with Shane, our webmaster and the issues are almost solved and updates should be complete by the Lockyer Valley Speedway event in November. Keep in mind that if you are out and about chasing sponsors for yourself, every driver has a profile page on the website with a phot gallery page and a video gallery page attached. On all 3 of these pages we can post advertising for your personal sponsors giving them a "weblink" to their business websites or facebook pages. And any deals done for that are just between you and your sponsors.

We will attempt to get a new letter out once every 2 months to keep everyone "in the loop". If you have any news or any stuff you would like to include in the newsletter please let me know and we can post it up for you.

Thank you

Steve Little
Club Secretary/Treasurer
