MEMO

TO: Speedway Australia Divisions
FROM: Rhys Taylor, Competitions Manager
CC: Board, State Bodies, Clubs
SUBJECT: Australian Speedway Racing Rules & Regulations - Review

Every two years, Speedway Australia, in conjunction with the National Officiating Committee, take part in a thorough review of the Australia Speedway Racing Rule & Regulations. That time is once again upon us.

The National Officiating Committee consists of members of National Divisions, who will consult with State Bodies, Clubs and key members of Speedway during this process.

Speedway Australia Competitions Manager Rhys Taylor and Operations Manager Shane Collins, along with Speedway Australia Board Members John Kelly, Gavin Migro & Greg Lynd, who hold the portfolio of "Conduct of Racing", will also be heavily involved in the preparation of the 2015 edition of the Australia Speedway Racing Rule & Regulations.

With that in mind, submissions for amendment, change or review are now being called for.

Divisions & Clubs are asked to consult with their members during this process to ascertain whether they have anything to offer.

The process for submitting a suggestion is quite simple; however Speedway Australia would like the submissions to come through via the appropriate channels.

Between now and **Sunday 31 May 2015**, submissions will be accepted from Office Bearers of Divisions and Clubs only. If you're a Speedway Australia Licence Holder and you feel that you have something worth submitting, please ensure this is done through your Division/Club.

Once all submissions have been received, the National Officiating Committee will review all submissions and make recommendations for change. The 2015 edition of the Australia Speedway Racing Rule & Regulations will go to print in September 2015. Please note that submissions received after Sunday 31 May will not be accepted.

Submissions are to be sent in writing, either via email to rhys@speedwayaustralia.net.au or via post, to the attention of Rhys Taylor, Speedway Australia, PO Box 269, Stepney SA 5069.

If there are any questions regarding this process, please contact Rhys Taylor at Speedway Australia on 08 8139 0777.
